

Have You Heard?

by Dorothy McCain Eelsenius

Have you heard about the Post Office failing to cancel stamps??? KTVU-TV mail sorters turned up 1300 pieces of mail with uncanceled stamps on them . . . at 8 cents apiece that adds up to \$104.

According to Channel 2 floor manager, Warren Jackson, with service ranging down to "Postal delivery may be slow, sullen and discourteous, but (at this rate) the price is right!"

Sorry to hear Allan Vincent, secretary of the Albany Lions Club, has been spending some of his time in Merritt hospital. Lampoon editor, J. Henry Kruse, Jr., says: "Let's send him comical cards—but don't keep him in stitches!"

Good news about Myrt Donahue, who also was a hospital patient for a while. Her doctor says he doesn't think he will have to operate, but can correct the problem through medication. Here's hoping she'll be back in circulation real soon.

Patrons of the arts attention: Margarita's Mexican Restaurant, 1406 Solano Ave., Albany, is presenting a varied showing of paintings courtesy of the Bay Area Artisans of Showcase Gallery in Oakland. Margarita's cordially invites those interested to view the paintings Wednesdays through Sundays, between 5:30 and 10 p.m., during September and October.

Anita Tronoff, former Albany School Board member, was formally initiated into the Alameda County Legal Secretaries Association last week. Anita is currently working as Albany Attorney Bill Johnson's Girl Friday.

Also initiated into the group with Anita was another Albany gal, Jean Ralston, whom many of you will remember as an employee of Jerry Blank's many years ago. Jean is now employed by the Oakland law firm of Alken, Krammer & Cummings.

Vince Berganti and members of the Albany Men's Golf Association are telling about the golfer who cheated so much, that when he got a hole-in-one, he put down a zero on his scorecard!

A great many of you "old-timers" will probably remember when the Storck Plumbing shop was on Solano Ave., many years ago. Mr. and Mrs. Wm. R. Storck were the owners, and lived in our fair city for over 35 years, before retiring to Meadow Vista, up in the gold country near Auburn, in 1956.

Well, they are still "hale and hearty" and recently celebrated their 50th wedding anniversary, with the help of their daughters, Mrs. Lucille Fuoks and Mrs. Gloria Lorenz of Meadow Vista, and Mrs. Guylamar Lindley of Mattole in Mendocino County.

While some people celebrate their anniversaries with a cake—the Albany Times celebrated their anniversary last week with a delicious and beautiful lemon cream pie—courtesy of

GS Uniform and Equipment Asked

Mrs. Dean L. Flint of Albany, trainer and organizer for the Berkeley-Albany Girl Scout Association, will incorporate a new Girl Scout uniform exchange with her Turnabout Shop, located 567 San Pablo Ave.

This exchange will be for the benefit of girls who need uniforms, and will also provide a recycling center for used and outgrown uniforms, as well as for those no longer in use.

In the fall of 1973, new Brownie uniforms were introduced to Girl Scouting, and next month new Junior and Cadette uniforms will also be shown. However, former styles of uniforms (just as the American flag) are regulation until worn out.

Former Girl Scouts who have no further need for their uniforms, books or other equipment, and girls who are now in advanced groups, are being urged to donate items no longer being used to the exchange, so that those in need may find a good selection of sizes and items.

Donations may be left at the Turnabout Shop, or at Berkeley Scout House, 1911 Rose St. on Thursdays between 10 a.m. and noon.

AC Transit Fares

To Remain Stable

East Bay passengers will continue to enjoy bargain rides, under action taken by the AC Transit board of directors recently, with fares remaining at a basic 25 cents for local adult travelers, and 55 cents cash or 50 cents commute for transbay transit—the same structure that has prevailed since July 1, 1969. Additional zone charges will continue to be made for longer trips.

The property tax rates of 31.1 cents per \$100 assessed valuation will maintain the same rate that has been in effect for the past two years.

Note of Thanks

Many thanks to all of my co-workers, Club members and the many friends who attended my retirement party on Aug. 16 and helped to make it a wonderful occasion. It was a beautiful evening and one I will always remember.

I also want to thank all my customers and friends who called at the Bank of America on the "Open House" Day in my honor, to convey their good wishes for my retirement.

Thanks to everyone for the lovely cards and good wishes I have been receiving in the mail.

It is because of the wonderful people I have met and become acquainted with through the years, that my years with the Bank have been so pleasant. My sincere wish is that God will bless all of you with good health and happiness.

Sincerely,
Irene G. White
Retired Authorized Officer
Bank of America NT & SA

I wish to publicly thank the Albany Police Dept., and especially Officer C. Cause and his fellow officer, who took me to Herrick Hospital for emergency attention recently.

I also wish to thank the emergency staff at Herrick Hospital for their help, and my good friends, Ruth and "Red" Call, who brought me home from the Hospital.

It is in time of need that one really values good friends and mere words cannot express my appreciation for the kindness and service of the above-mentioned people.

Sincerely,
Lottie Moody Sandford

Fire-Safe Housekeeping Both Indoors and Out

Fires love piles of papers, heaps of old clothing, toys and other trash, says Capt. Ray Gonsalves of the Albany Fire Department's Fire Prevention Bureau. So, think twice before you "save it," and you won't give fire a place to start. Piles of boxes, bags, papers, clothing, etc., can be the origin of a fire which could block your escape.

Dust mops and cleaning materials must have ventilated and fire-safe storage. Be sure and store wax and polish cloths in closed metal cans—as they could flare-up spontaneously, unless properly stored.

Group your articles stored in your attic or basement in separate boxes or containers, such as winter clothing, family papers, Christmas decorations, etc. And, never use matches or candles to illuminate your storage areas.

Gasoline for power mowers, outboard engines, etc., must be kept in approved metal safety cans, and only a small amount should be kept on hand. All refueling should be done in the out-of-doors, and away from dry grass or trash, which could tempt and spread fire quickly, especially when close to buildings.

Daily household trash should

always be kept in covered metal cans, away from heat sources. Newspapers should be tied in bundles and disposed of regularly. Rubbish should not be allowed to collect—it can be disposed of at the Albany Land-fill.

Capt. Gonsalves suggests the following Home Handyman Fire Rules:

1. Use all flammable liquids outside, or in a well-ventilated area with no smoking.
2. Store paints, oil, and cleaners in tightly capped metal cans away from heat. (Keep only what you need.)
3. Keep all power tools lubricated and free of dust, sawdust, lint, etc. as fires can be started from a spark from the motors.
4. Don't keep paint or oily rags around after you are finished using them, as they have been known to ignite spontaneously.
5. Clean up scrap wood and sawdust after each job, and deposit the accumulation in a covered metal container.

Adult School Opens

On Monday, Sept. 17

The 11-week fall quarter of the Albany Adult School will start Mon., Sept. 17, offering nearly 100 courses leading to such varied goals as job improvement, a high school diploma and/or self-enrichment.

A wide assortment of day and evening classes have been scheduled including many specialized courses.

Most evening classes will meet on the campus of Albany High School, 603 Key Route Blvd., and a single tuition of \$6 covers the cost for one or more courses. Fall quarter class schedules and course summaries are available upon request at the Albany Adult School office, 904 Talbot Ave. For further information please call 526-6441.

Heart Cookbook Now Available

A new cookbook, containing more than 500 fat-controlled, low cholesterol recipes (400 basic recipes with over 100 variations) is now showing Americans that heart-healthy foods can be enjoyable and satisfying and reduce one's risk of heart disease.

The new book, The American Heart Association Cookbook, is dedicated to "the pleasure of eating well, while eating right," according to Dr. David Estrich, chairman of the Alameda County Heart Association's committee on nutrition.

"This is not a diet book," says Dr. Campbell Moses, former medical director of the association. "It's a cookbook—a fun book for people who like to cook and to eat, whether they are young or old, living alone or in a family group, pursuing a career or busily involved in keeping a home."

All recipes have been medically evaluated and kitchen tested. Additional consideration has been given for taste appeal, nutrition, ease of preparation, availability of ingredients, and as broad as possible representation has been given to geographical and cultural tastes.

The book is published by David McKay Co., New York, and is available in local bookstores.

A new organization for single, divorced or widowed persons, entitled "The Singles," will hold its first informal dinner meeting at 6:30 p.m., Fri., Sept. 21, in the Fireside Room of the First Unitarian Church of Berkeley, 1 Lawson Rd.

"The Singles will offer this and other interesting activities, as a way of getting to know more people," says chairman Kay Hickox, "and church membership will not be required to participate."

Tour groups headed for the Bahamas, Mexico, Hawaii or Europe over the holidays, is just one of the many activities planned. Other activities will include discussion groups, special classes in astrology, dancing and sexuality, as well as encounter groups, home dinners, theater parties and hiking trips.

One and two-day trips to points of interest in and around the Bay Area are also on the list.

Reservations for the dinner must be made by Wednesday, Sept. 19, and may be made by calling 525-0302. The interested public will be welcome.

Full Council Held Short Meeting Tues., Sept. 4

The Albany City Council granted a permit to Mrs. Rose Resetz for the Adonis Massage Studio, at 1071 San Pablo Ave., during the short Council meeting, held Tues., Sept. 4, and set a date of Mon., Sept. 17 to consider the application of Mr. and Mrs. Wayne Werronen's existing massage establishment at the Albany Steam Baths, 1002 Solano Ave.

In other action the Council, with all five members in attendance, agreed to proclaim the week of Sept. 17 as "Constitution Week," and the week of Sept. 24-30 as "United Bay Area Crusade Week;" and approved the recommendation of James Turner, administrative officer and Bud Rooney, superintendent of Parks and Recreation, authorizing funds to be used from the operating reserve of the Parks and Recreation Dept. to help provide for the Cornell "after school program." Administrative officer Turner indicated that the total value requested in the initial budget program was \$10,318 and the School District has approved and is ready to execute a contract for \$5,159 as their share of the program.

A request from Patricia Mengel to install planter boxes at 1479 Solano Ave., was also approved, with Councilmen Joe Carlevaro and Hubert Call expressing their approval for this type of beautification along Solano Avenue, and Councilman George Hein, while offering his approval, indicating he thought there will be a great need for control for this type of encroachment onto the public

right-of-way. Turner informed the Council that he had reviewed the plan and found it to be in accordance with provisions of the City Code.

Resolution No. 73-80, congratulating the Albany Times for 38 years of publication, and Ordinance No. 73-06, suspending use permits for home occupations in the City of Albany for a 90-day period, were introduced and adopted.

In answer to Catherine Webb's remarks concerning broader exploration of home occupations within the City, Mayor and Lewis Howell informed her the Council would hold a joint work session with the Planning & Zoning Commission regarding the subject on Wed., Sept. 26, and the meeting would be open to the public.

Mrs. Webb also questioned the Council as to the status of Creekside Park and informed Council members that "we want the park left as it is, in its natural state." City Attorney Larry Saler informed her that the property for the park had been included in a deed to the City which had been accepted with other deeds, maps and papers concerning the Albany Hill project recently, and following recordation, the deed would be returned to the City.

Keith Truax, a member and past commander of Albany American Legion Post 292, discussed the proposal of his organization to construct a barbecue and patio area in Memorial Park to be dedicated to veterans of all wars, which Post 292 would donate to the City. Mayor Howell told Mr. Truax that Park and Recreation Superintendent Bud Rooney would work with him on the details. The Mayor also commended the Legion for their proposal.

Kensington Fire

Threat Lessened

The fire threat from the eucalyptus trees killed by the great freeze of last winter has been significantly reduced for the Kensington area, Fire Chief Don Markert reports.

Let's welcome back to Albany, Carl Lindh, former Albany Police Sergeant, who has spent the last four years in the South Pacific, heading up the public security depts. (police, fire, etc.) in the Marianas and surrounding islands.

He and his family are vacationing in Albany and visiting with Carl's father, Charlie, who is recovering from injuries he received in a recent fall. Carl has many exciting stories to tell

about his job, especially in relation to recovering unexploded bombs — leftovers from World War II. Never thought anyone would come to Albany for a vacation.

**SOROPTIMIST CLUB
OF ALBANY**

James Simmons, newly-appointed Chief of Police of Albany, will be the Soroptimist's special guest for their first general meeting of the new year, when the Club meets today at 12:15 p.m. at Serb's Restaurant, 1045 San Pablo Ave. The Chief will discuss new and upcoming changes in law enforcement. The public is cordially invited to attend and meet the new Chief.

ALBANY UNIFIED SCHOOL DISTRICT ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the voters of the Albany Unified School District of Alameda County, State of California, that in accordance with the provisions of the Education Code of the State of California, and the resolution of the governing board of the district, an election will be held on Tuesday, November 6, 1973, in said district, at which time there will be submitted to the voters of said district the following measure:

MEASURE —
Shall the Albany Unified School District of Alameda County incur a bonded indebtedness in the principal amount of One Million Six Hundred Twenty Thousand Dollars (\$1,620,000) to bear interest at a rate or rates not exceeding 7% per annum payable annually the first year and thereafter semi-annually, to provide funds for the replacement of the following school building unit which has been determined to be structurally unsafe in the event of an earthquake:
Cornell School, 919 Cornell Avenue; demolish the auditorium-administration unit and

the west classroom building; construct new school facilities on the Cornell School site and on the Gill Tract site;

said amount of bonds (together with funds to be obtained from the State of California) being sufficient to provide funds for the replacement of the above mentioned school building unit, all in accordance with the plan of the governing board of said district on file in its office?

The bonds proposed to be issued shall be One Million Six Hundred Twenty Thousand Dollars (\$1,620,000) in aggregate principal amount, shall bear interest at a rate not exceeding 7% per annum payable annually for the first year and semi-annually thereafter, and the number of years the bonds or any series thereof are to run shall not exceed 25 years from the date of said bonds or such series thereof.

If at said election the requisite number of voters cast their ballots in favor of the issuance of the bonds, the bonds shall be issued and sold in the manner provided by law and the proceeds used for the purposes specified in said measure.

If at said election the measure to initiate the governing board's plan is not approved and authorized, the governing board shall, in accordance with the same or a modified plan, submit proposals to authorize the issuance of bonds or to increase the tax rate not later than five years following the date of said election.

By order of the Board of Supervisors of the County of Alameda, at the request of the governing board of said district and of the County Superintendent of Schools of Alameda County, said bond election has been consolidated with the special statewide election to be held on November 6, 1973, throughout the State of California insofar as the territory in which said elections are to be held is the same to wit, within the boundaries of the Albany Unified School District of Alameda County. Within the territory affected by said consolidation, to wit, said Albany Unified School District, the election precincts, polling places, voting booths and officers shall, in every case, be the same as those established and provided for said special statewide election by the

Board of Supervisors of Alameda County. There shall be only one set of election officers in each precinct. The form or forms of ballots to be used at said elections shall be in the form or forms provided by the Registrar of Voters of Alameda County for use at said special statewide election, on each of which shall be set forth the measure hereby submitted to the voters of said district. The elections shall be held in all respects as if there were only one election and the Board of Supervisors of Alameda County is hereby authorized to and will canvass or cause to be canvassed the returns of said school district election at the time and in the manner required by law.

Dated: August 8, 1973.
